

Confluence Arts Center Commitment Century Club Member

As a demonstration of our commitment to the public-private partnership that will result in the construction of a Community Arts Center at the confluence of the Eau Claire and Chippewa Rivers in Eau Claire, we are pleased to offer this conditional financial commitment to the Eau Claire Community Foundation (ECCF).

This gift is intended to be directed to the **Confluence Building Fund** with the ECCF. Gifts to the ECCF Confluence Building Fund may be used for planning, construction and operation of the Arts Center or for other costs and expenses associated with the Arts Center as determined and approved by the ECCF Board of Trustees. Our commitment is contingent upon the successful pledges from the state, county, city, other philanthropy, and/or a demonstration that the Confluence Arts Center will move forward to construction and completion. We understand that while our pledge payments may begin before all of the other funding sources are confirmed, we are not obligated to fulfill our commitment should the project be not be completed. All gifts made to the ECCF Confluence Building Fund are irrevocable and become the exclusive legal assets of the ECCF. The ECCF Board reserves the right to modify any conditions of restrictions on the fund as required by Treasury Regulations applicable to community foundations if the Confluence Arts Center is terminated or not completed as planned. The ECCF will use its best efforts to redirect any unused funds to support community arts organizations.

The details of our commitment to the Eau Claire Community Foundation follow:

Our pledge of \$50,000 will be completed over a period of up to five years in equal installments of \$10,000 per year. If the conditions stated above are met, our first payment would be made in 2015, with subsequent payments to be received each year by December 31 through 2019. The Eau Claire Community Foundation will send reminders 60 days before the pledge due date.
